TERMS AND NOTES

1. The packages are all SELF-DRIVE and no transport is included. I can however obtain a car hire quote from a local car hire company - feel free to advise! Competitive flight prices are available on www.kulula.com and www.flysafair.co.za George is the Garden
2. **The packages are usually COMBINE I EFT FLEXIBLE** in that you may combine the establishments of your choice (even in different rate categories) and INDIVIDUALLY select the activities in order to create a more tailor-made solution. The number of nights at each establishment is also entirely up to you. The choices will all be subject to available space and minimum booking periods of the individual lodges in each season.
3. **The accommodation and current activity rate listings are attached in case you want to create your own package. Activity costs for bookings more than 6 months in the future, must be confirmed.**
4. Although abbreviations are used for the names, please be assured that the photo collages have been compiled from the websites of the establishments and that as soon as the bookings have been placed (before you pay ANY deposits) the full names and contact details of the lodges will be provided so that you may request any changes if need be.
5. Establishments and service providers reserve the rights to change their rates during the year. Rates can only be guaranteed upon booking.
6. Please note that no provisional bookings are made at the quotation stage. Reservations are always on a first come, first served basis. Should you wish to proceed with a booking, kindly complete the booking request on the bottom of the quote document or the one in WORD format attached to our email reply for your convenience.
7. We handle all the bookings and payments for accommodation and activities that are included in the package. The clients receive individual vouchers with maps and directions, all put together in a client folder and awaiting them at their first destination.
8. **To secure bookings:**
 - 50% of the accommodation total will be required within 5-7 days.
 - The balance of the accommodation and any activities booked, will usually be due 2 weeks before your arrival. There are a few establishments that require full prepayment 1 month before arrival but this will be indicated on the confirmation.
 - Should you be booking 5 – 6 months in advance, an arrangement may be made to split the initial 50% deposit into 2 instalments but this would be subject to the lodges' approval
 - If a booking is made less than 3 weeks before arrival, full prepayment will be due.
 - For bookings made less than 2 weeks before arrival, a booking fee of R150 will be charged. This is because we prepare a document folder for each couple that is sent to their first destination and will have to make use of a courier.
 - Payments are by way of bank deposit or EFT.
 - All details will follow on a confirmation document after bookings have been placed.
9. The cancellation policy of establishments differ and will be outlined on the confirmation document. Creative Honeymoon Solutions will charge a fee of R150 when already confirmed bookings are cancelled. This would be to recover admin and bank fees.
